

# FIRST TIME IN INDIA

## CORROSION PROTECTION MODULE

finalcoat®

The best appearance protection products available. Period.

### E.I.C.C.T.

Electromagnetic Induction Corrosion Control Technology

Scientifically proven to reduce rate of corrosion on automotive sheet metal by up to 99.7%.

Patented technology that is effective, yet harmless to you and your vehicle.

Our patented module has been scientifically proven effective by several leading testing organizations:

An eco-friendly alternative to messy petrochemical sprays. Protects areas sprays cannot reach.

Total vehicle perforation protection inside out & outside in (hole through metal).
